ABOUT YOUR RV & VEHICLES

Measuring for a site: It is your responsibility to tell us the bumper-to-hitch measurement of your RV, so we can put you in a site which will accommodate your RV. If you arrive and your RV is too long, we may not be able to accommodate you, and you may have to leave the resort. In this case, you will lose your deposit.

All RVs must be fully self-contained. The on-site bathrooms are closed every day from 1-3 p.m. for cleaning and no bathroom facilities will be available during that time.

Absolutely no tent camping in the resort.

Maximum length: Sites for RVs up to 40 – due to the tight turns in our resort.

Registration: All RVs and vehicles must have current DMV registration and insurance.

Repairs: Please see the office for an approved vendor list.

Extra Vehicles: You are allowed your RV, plus one street-legal vehicle. Extra vehicles which do not fit in your site must be parked in our visitor parking if there is room; if there is not, the additional vehicle will have to be parked outside of the resort.

We do not allow any ATV trailers in the resort. If you come with additional ATV trailers, they will have to be parked outside of the resort as we do not have room to accommodate them.

Speed limit: PLEASE WATCH OUT FOR CHILDREN! The speed limit in the resort is 5 mph. Anyone caught speeding in the resort will be required to park outside on the street.

No parking in empty sites.

Guest parking: Please inquire prior to guest arrival if any space is available. If there is no space available your guests will need to park outside the resort.
